

## Newport Harbor Athletic Foundation

Dear Friends of Newport Harbor High School,

The Newport harbor Athletic Foundation is proud to announce the hiring of a certified full-time athletic trainer for Newport Harbor High School. NHHS has been without a full time athletic trainer for some time and we are very excited to be working with Newport Orthopedic Institute to make this happen. Although a certified trainer is not required by the District, we believe this will be a tremendous benefit for our student athletes. The NHAF has been instrumental in making this happen. The annual cost for the certified full-time athletic trainer will cost roughly \$60,000. We are looking for your support to help fund this critical position for our sports program and help with the health and safety of our student athletes.

The Newport Harbor Athletic Foundation was formed a few years ago to help fund and support various needs for our sports programs. The NHAF has been proactive to ensure our student-athletes' health and safety is a priority. NHAF has instituted a concussion management program for the student athletes along with our annual Athletic Clearance Day. If you have student-athletes, please mark your calendars for this year's Athletic Clearance Days on June 9<sup>th</sup> and 16<sup>th</sup> if they would like to participate.

We have various donor levels and truly appreciate your support. You can go online to [NHAthleticFoundation.com](http://NHAthleticFoundation.com) to make a donation, or complete this form and mail it back to NHAF, 600 Irvine Ave., Newport Beach, CA 92663.
